

Scotus Mothers Meeting Minutes
January 18, 2017

Present: Kris Wurtz, Trish Braziel, Michelle Rinkol, Sarah Ehlers, Deb Ohnoutka, Nicole Blaser, Danelle Kratochvil,

Treasurer's Report: end of year total \$38,409.82

Old Business: Student Recognition, needs to get on the calendar, still looking at ideas on how to recognize the A Honor Role students in grades 7-12, possibly putting in the school newsletter.

New Business: Gala donation, we have been asked by the Gala committee to put together a basket for auction; Post Prom donation has been increased from \$50 to \$125 this year; On-Line Store – team orders will be done at the parents meeting, get a discount price for bulk orders. Yard signs will also be ordered at the parents meeting, again get a discount price for bulk orders. Need to watch for Specials. Will try to put on the Schools home page for more visibility. Boutique – had roughly 1600 shoppers, 100 vendors, \$16,415 in profit. A big help from the Scotus staff in set up and clean up. Looking for new committee members to shadow the current workers, does not have to be a Scotus Mom. Looking to redo the maps for next year, no end caps, redoing the application as well. For next year, will start setting up at 6pm on Friday nite.

Special Speaker: Cassie Jeffryes with Educatius International. Cassie spoke about how the process works in order to have an International student at Scotus and the community. The screening process, what is expected of the Host Family and of the student themselves, and the benefits of having an International student in your home. The student pays for all of their expenses while attending school. The host family will get a stipend of \$400 a month to help cover expenses such as food and gas.

Next Meeting: February 15th at the Husker House, 6:30 Social and 7:00 Meeting

Respectfully submitted,
Michelle Rinkol, Secretary
